

PEEPLER VALLEY FIRE DISTRICT
PROPERTY COMMITTEE MEETING

The minutes of the Property Committee held on 20 March, 2019 cannot be found. This narrative is my reconstruction of that meeting.

The meeting was called to order at approximately 5:00 pm, later than the advertised time of 4:45, at the Peoples Valley Fire District headquarters located on 17275 West Burning Bush Drive in Peoples Valley, Arizona.

Members of the Committee present were Craig Davis, Judy Garner, Nancy Tschikof, Dick Meyers, and Lori Bomar. These members also attended the regular Board Meeting held immediately following the Property Committee meeting, so I feel this is accurate.

The Committee has made very little progress in disposing of the properties that were gifted to the District. The Committee has tried to determine how two parcels of land encumbered by property tax liens were transferred to the District.

The Committee has been in contact with the law group Warner, Angle, et al to resolve the liability of nearly \$36,000.00 due in delinquent property taxes, as well as with attorney William Whittington who is the Board's attorney representative on some legal matters.

The Committee has not taken any action beyond investigating how these properties were acquired. The next meeting of the Property Committee is not known, awaiting action by the District Board.

Adjourned at 5:45.
